

A soft-focus photograph of a field of small, white and pink flowers, possibly clovers, with green foliage. The background is a blurred mix of green and white. In the foreground, there are some out-of-focus purple flowers. The text "Annette Tiller" is written in a white, elegant script font, centered horizontally. Below the name is a decorative white flourish consisting of symmetrical scrollwork and a central floral motif.

RAKKAAT KESÄMUISTOT

Uusin esitteeni on täynnä ihania kesämuistoja kesämökiltämme Villingistä. Myös moni suunnittelemani koru annetaan muistoksi jostain tärkeästä ja rakkaasta. Koruun voi ikuistaa kauniin käsinkaiverretun tekstin, lasten nimet tai koruun voidaan käyttää asiakkaan omia jalokiviä.

Valokuva minusta pitsimekossa on Villingistä siskoni ristiäisistä vuodelta 1968.

KÄRA SOMMARMINNEN

Min nyaste broschyr innehåller härliga sommarminnen från vår sommarstuga på Villinge. Många av de smycken jag designat ges som ett minne av något kärt och viktigt. På smycket kan förevigas en vacker handgraverad text eller barnens namn. Kundens egna ädelstenar kan även användas till smycket.

Fotot på mig i spetsklänning är taget på min systers dop på Villinge år 1968.

LOVELY SUMMER MEMORIES

My latest booklet is filled with beautiful summer memories from our summer place. Many of the jewellerys that I design are given as a memory of something important and beloved. In the jewellerys you can memorialise a beautiful hand engraved text, the children's name or the customers own gemstones can be used.

The picture of me in the lace dress is taken at my sisters christening in year 1968.
