

The image features a soft-focus background of a field with various green plants and white flowers. In the lower-left foreground, a sharp, vertical stem of a purple flower is visible, with several small, light purple blossoms. The overall lighting is bright and natural, suggesting an outdoor setting.

*In this booklet I bring forward my designed Silver- and Gold collection. You will find the jewellery in my shop on Unioninkatu and from my webshop at [www.shop.annetteillander.fi](http://www.shop.annetteillander.fi)*

*I have taken all the feeling and model photographs for this booklet. The photographs represent important memories for my family and me. The items that my children have made are really important to me.*

*My daughter Emmy Alexandra designed and made this booklet.*
