A tradition in jewellery since 1860

now it its 6th generation

Olen onnellinen ja ylpeä siitä, että lapseni Tony, Emmy, Henry ja Fanny edustavat perheyriyksen kuudetta polvea.

Valokuvaaminen ja stailaus ovat intohimoni korusuunnittelun ohessa. Tämän esitteen mallikuvat kuvasin kotonani Espoossa.

Kevät terveisin,
Annette

Jag är lycklig och stolt över att mina barn Tony, Emmy, Henry och Fanny representerar familjeföretaget i den sjätte generationen.

Fotografering och styling är mina passioner vid sidan om smyckesdesign. Modellbilderna till denna broschyr har jag fotograferat hemma hos mig i Esbo.

Vår hälsning,
Annette

I am happy and proud that my children Tony, Emmy, Henry and Fanny are representing the family business in the sixth generation.

Photography and styling are my passions alongside jewellery design. I have taken the model pictures of this booklet at my home in Espoo.

Spring greetings,
Annette

A photograph of a bouquet of white flowers with green foliage, arranged in a clear glass vase. The vase is placed on a rustic wooden table. The background is a dark, out-of-focus wall. The flowers are delicate and have yellow centers. The green leaves are finely divided and fern-like.
